We are currently seeking 10 community members who would love to join the Lake Elmo Jaycees!

We provide development opportunities that empower young people (18-40) to create positive change. If you are looking for a way to build your leadership skills and give back to your community contact me. If that person is not you but you know someone who it is, send them my way also. I want to share what this organization has done for me with others.

Our organization focuses on 4 areas of development. Individual, Business, Community and International. Our organization is not afraid to try anything.

Some things offered:

- Public Speaking completions
- Write up/debate competitions
- Networking
- Socials
- Project Management Skills
- Community outreach
- Making new friends and trying new ideas

so much more!

Please

pm, text or call President Mike with any information or questions. (952)
